With Playlist **Themes**, you can customize the design of the Playlist Share Pages you send out from your DISCO. Themes are great for promo, such as when sending out an Album release, or if your business has multiple brands, labels, or Catalogs.

At a glance

By default, if you don't select a Theme for your Playlist, the Share Page will show your company logo and the default background:

Themes let you change the background, the logo, or both!

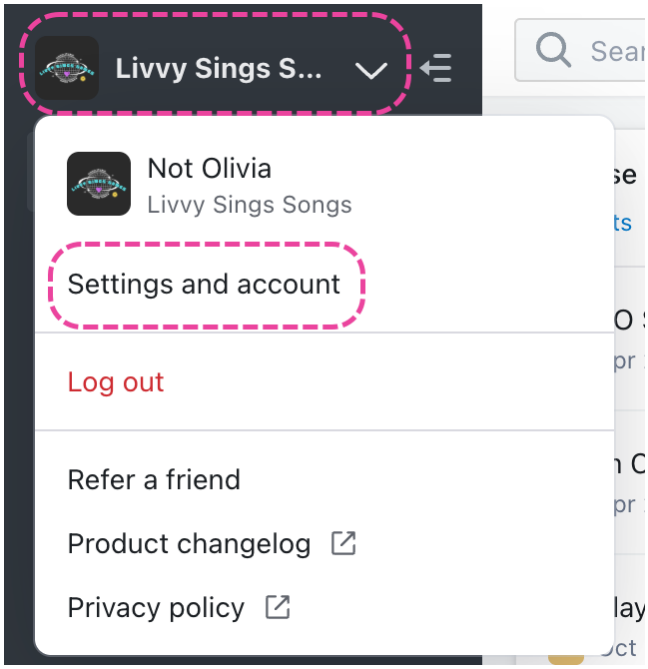

Creating a Theme

There are three ways to create a new theme:

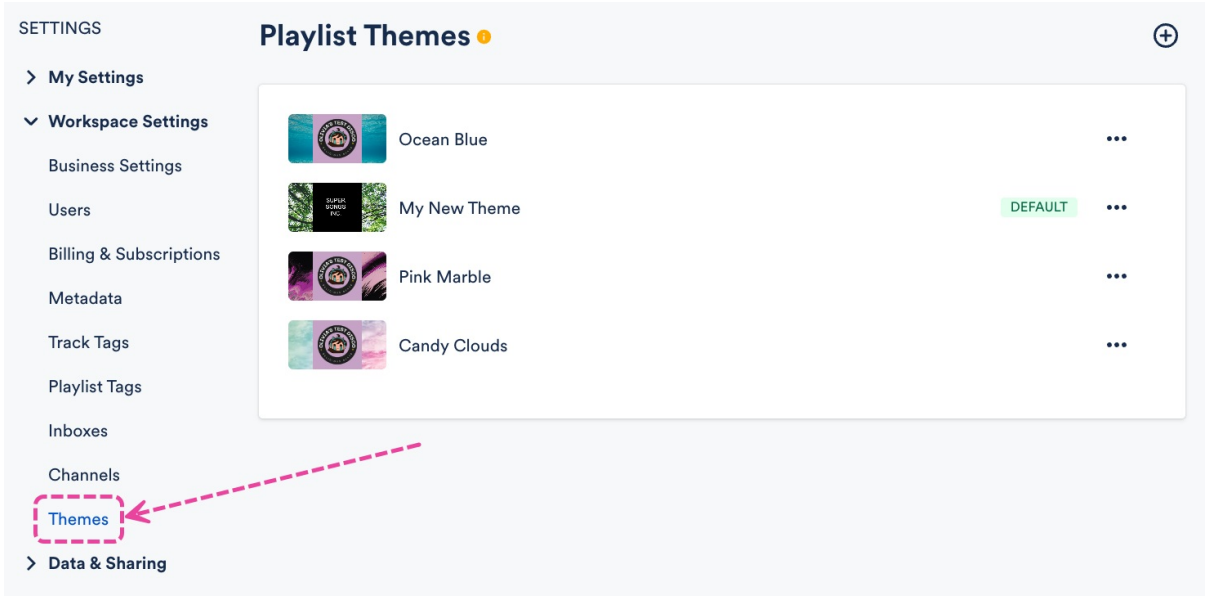

- from your account settings
- from Playlist Settings
- when editing your Playlist

From your account settings

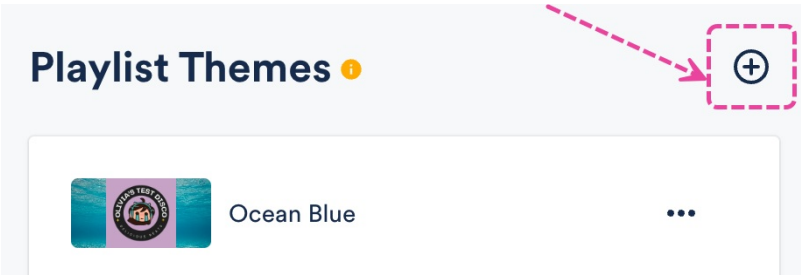

1. In the top-left corner of your DISCO, click on your DISCO Business Name to open the menu.
2. Select **Settings and Account**.

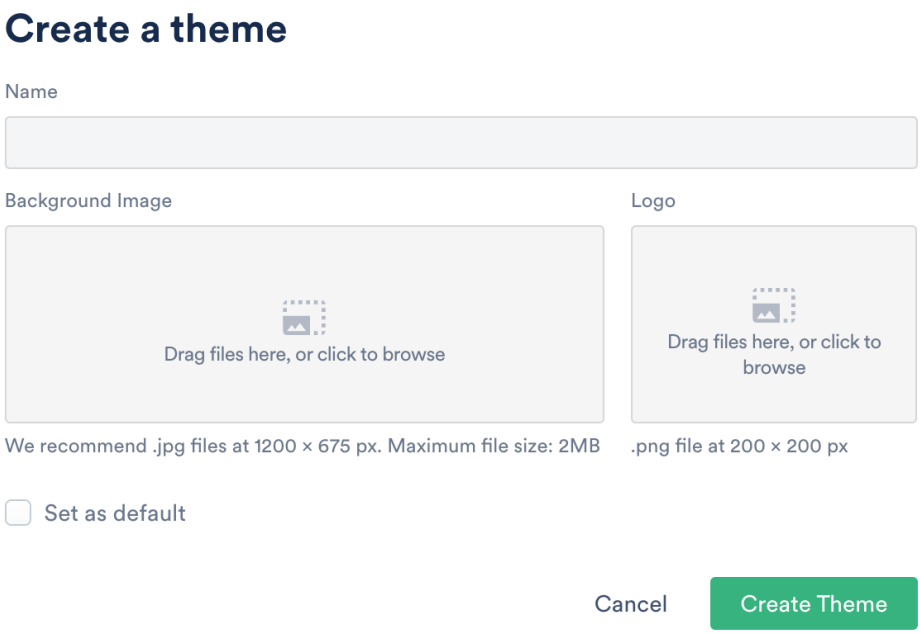

3. Under **Workspace Settings**, select **Themes**.

4. Click the **+** in the top right corner to create a new Theme.

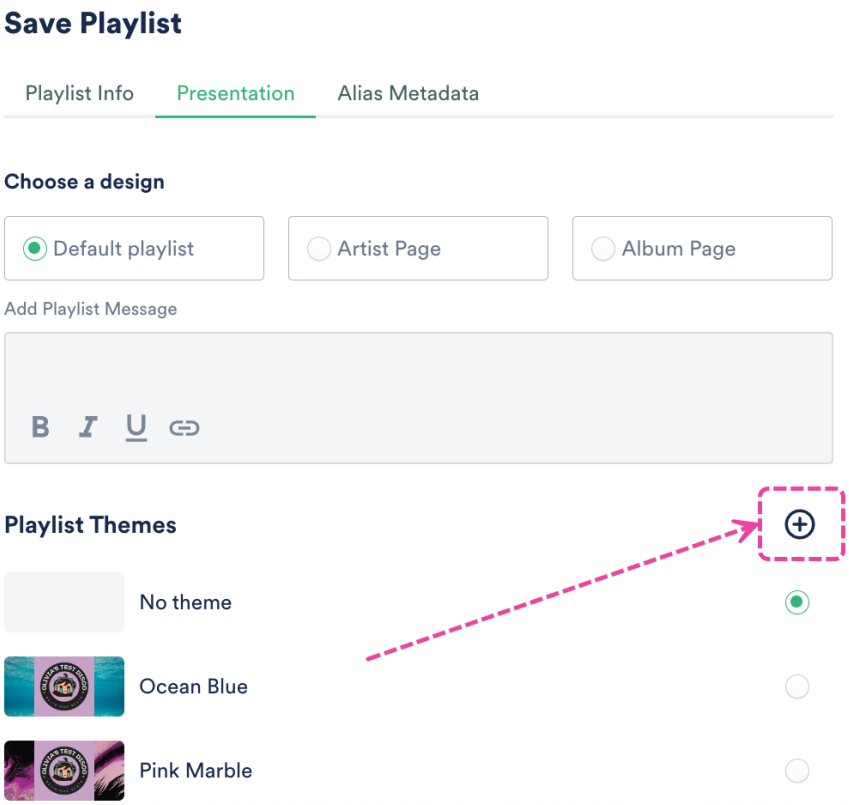

5. Add a **Name**, **Background Image**, and **Logo**.

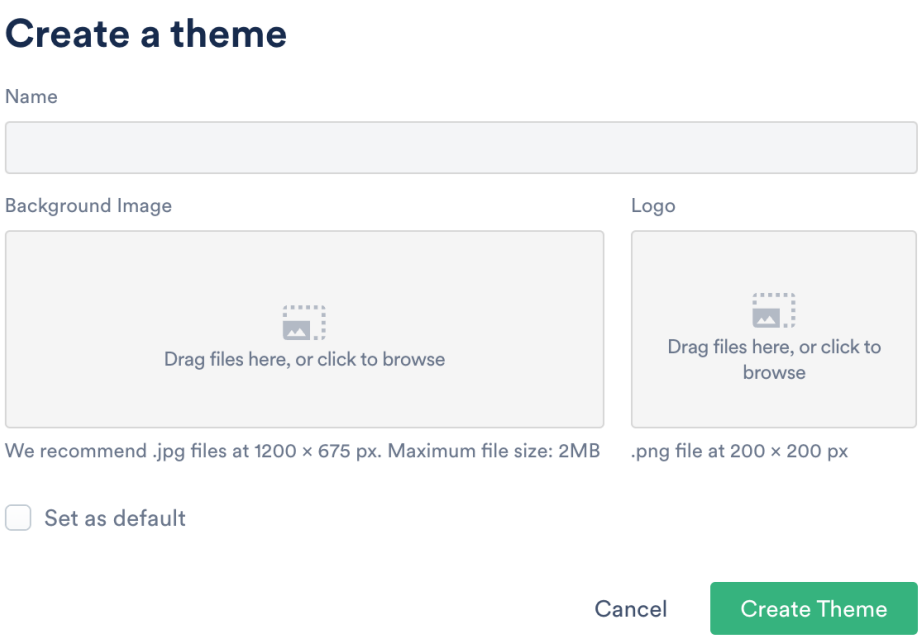

6. Click the **Create Theme** button.

From Playlist Settings

1. Open the **Playlist menu (⋮)** and select **Playlist Settings**.
2. From the **Presentation** tab, under **Playlist Themes**, click the **+** to create a new Theme.

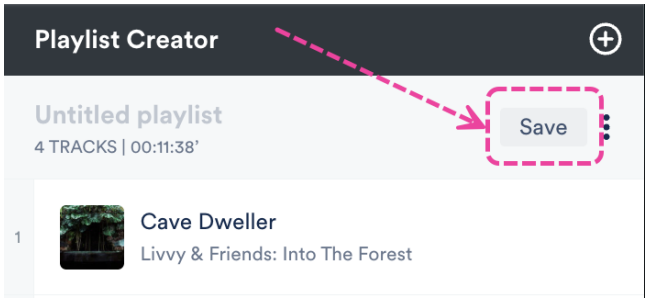

3. Add a **Name**, **Background Image**, and **Logo**.

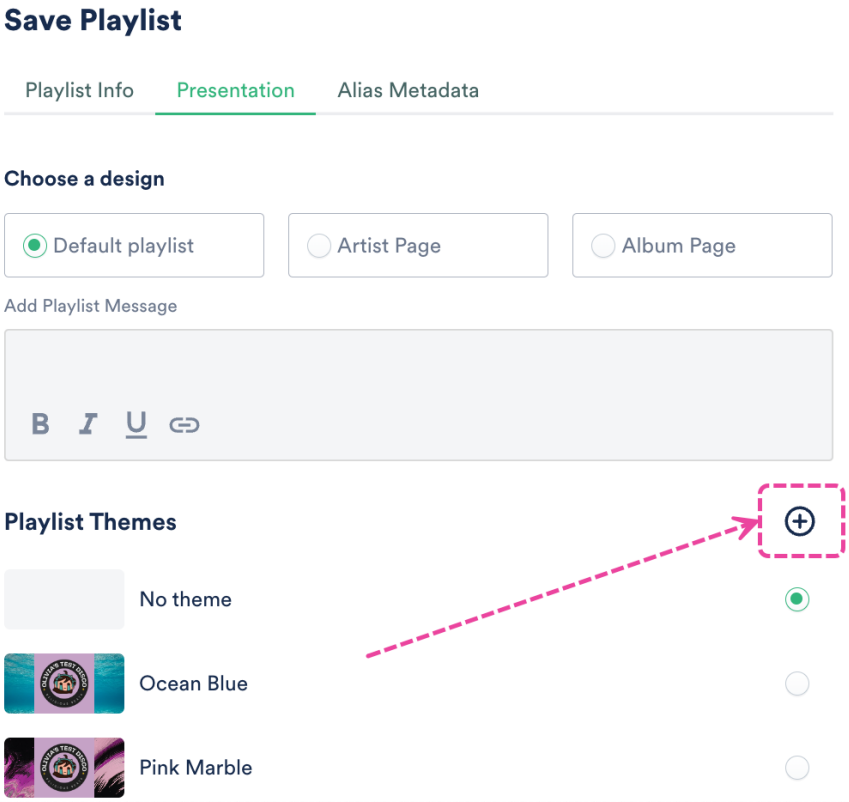

4. Click the **Create Theme** button.
5. In the **Save Playlist** menu, click **Save**.

When editing your Playlist

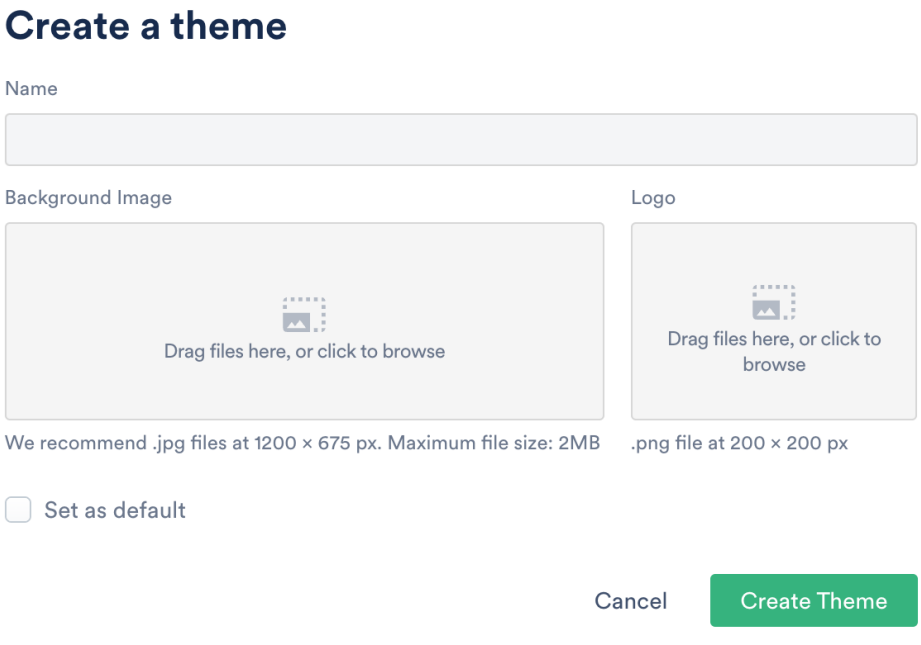

1. Open the **Playlist menu (⋮)** and select **Edit playlist**.
2. This will open your Playlist in the **Playlist Creator**. From the Playlist Creator, click **Save**.

3. In the **Save Playlist** menu, from the **Presentation** tab, under **Playlist Themes**, click the **+** to create a new Theme.

4. Add a **Name**, **Background Image**, and **Logo**.

5. Click the **Create Theme** button. The logo image should be a perfect square or circle to ensure proper rendering, and to maintain a consistent display across multiple devices.
6. In the **Save Playlist** menu, click the **Save** button.

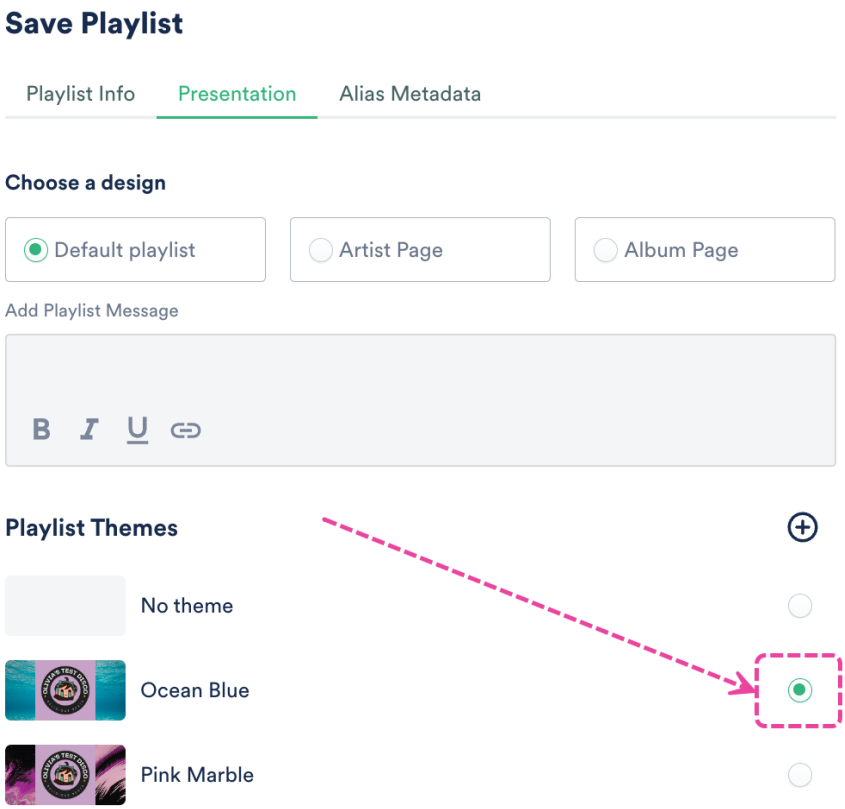

Adding Themes to Playlists

There are two ways to add a Theme to your Playlist:

- from Playlist Settings
- when editing your Playlist

From Playlist Settings

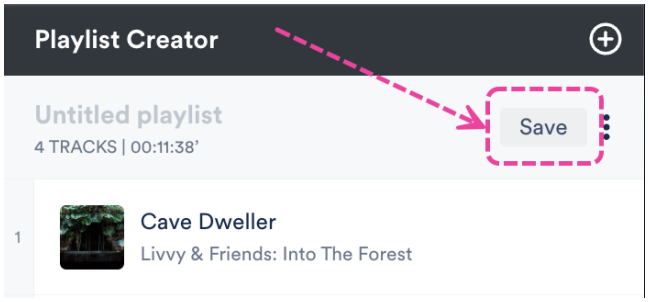

1. Open the **Playlist menu (⋮)** and select **Playlist Settings**.
2. From the **Presentation** tab, under **Playlist Themes**, choose an existing theme.

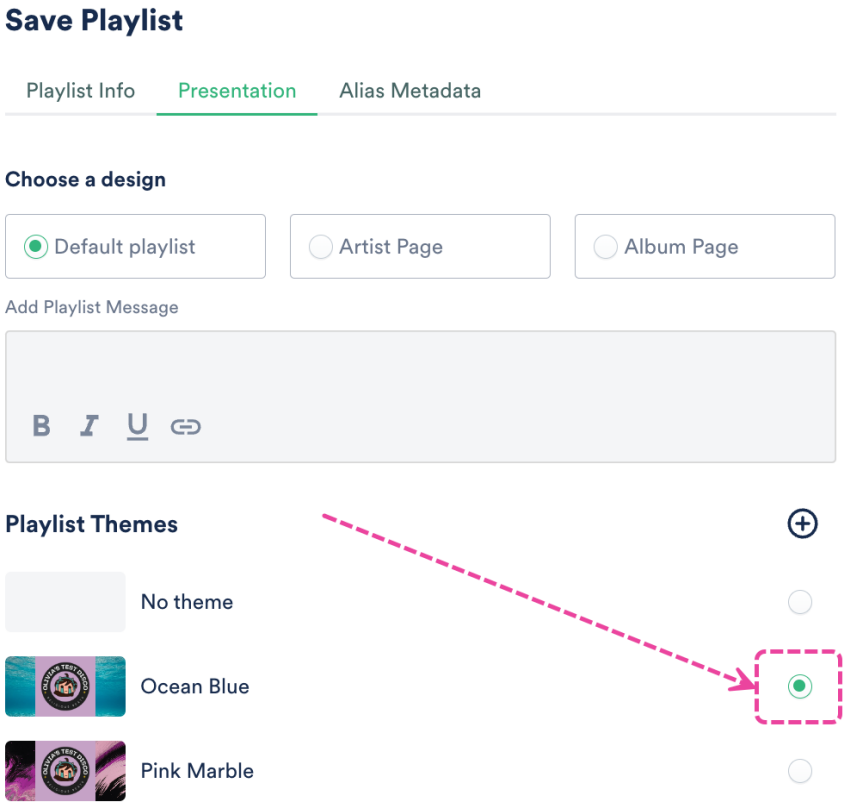

3. Click the **Save** button.

When editing your Playlist

1. Open the **Playlist menu (⋮)** and select **Edit playlist**.
2. This will open your Playlist in the **Playlist Creator**. From the Playlist Creator, click **Save**.

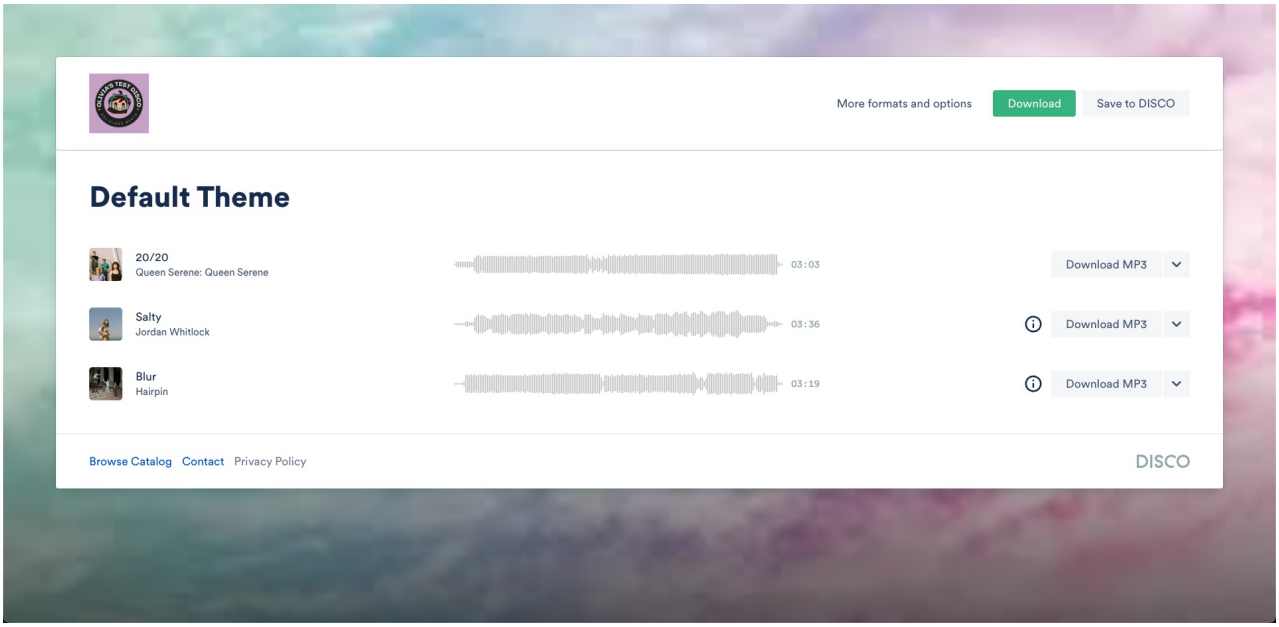

3. In the **Save Playlist** menu, from the **Presentation** tab, under **Playlist Themes**, choose an existing theme.

4. Click the **Save** button.

Setting a default Theme

When a default Theme is set, every new Playlist you create will have that Theme applied by default.

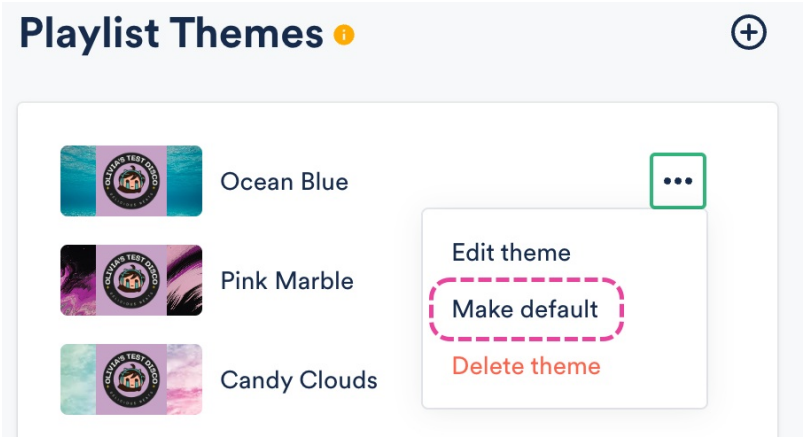

There are two ways to set a default Theme:

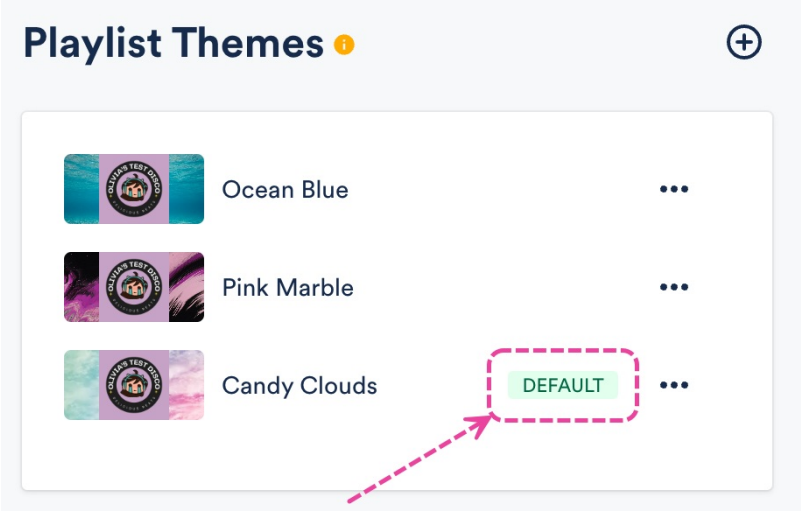

- By checking the **Set as default** box when creating a Theme:

- From the ellipses menu (···) next to the Theme in your **Workspace Settings**.

  Your default Theme will have a **DEFAULT** label:

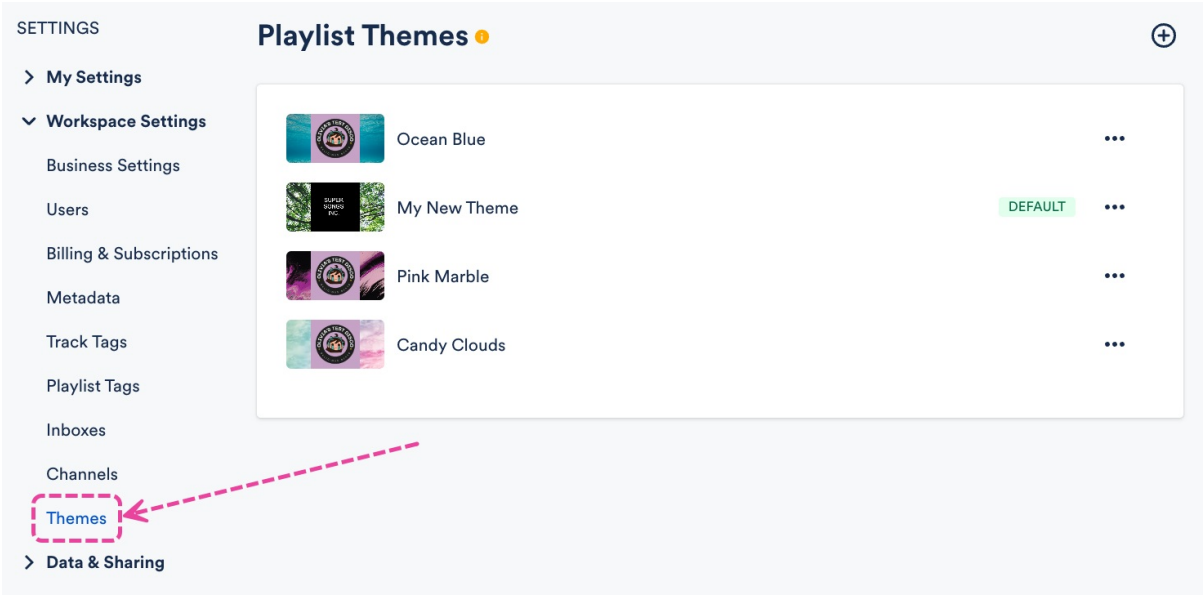

Managing your Themes

You can do this from within your account settings:

1. In the top-left corner of your DISCO, click on your DISCO Business Name to open the menu.
2. Select **Settings and Account**.

3. Under **Workspace Settings**, select **Themes**.

From here you can:

- View all your existing Themes
- Create a new Theme (click the **+**).
- Set a default Theme (open the ellipses menu ··· to the right of the Theme).
- Delete a Theme (open the ellipses menu ··· to the right of the Theme).
